# 22-24 MAY 2019

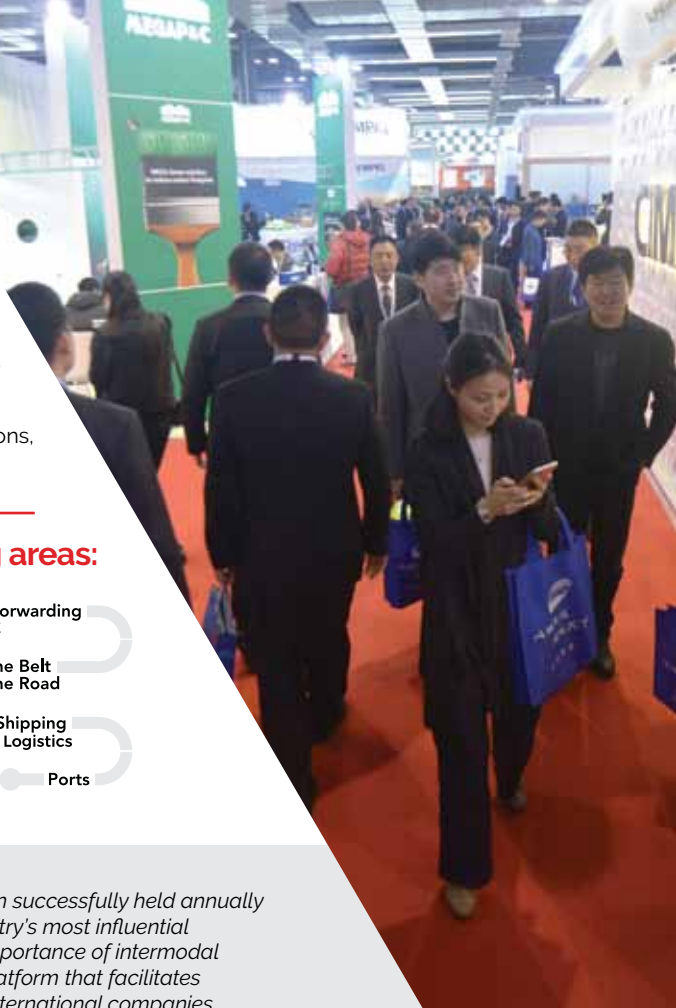

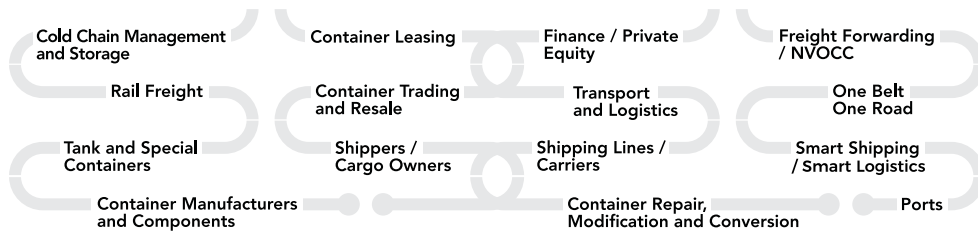

## SWEECC, SHANGHAI

### MEET THE GLOBAL CONTAINER SHIPPING MARKET IN SHANGHAI

The Intermodal Asia 2019 exhibition and conference will bring together the leading international and local decision-makers from over 90 different countries, from all areas of container shipping and logistics, making it the most important annual industry event in China.

It will offer a unique opportunity to discover innovative technology, services and solutions, as well as meet, network and do business with customers, suppliers and partners.

#### Bringing together 9,000 professionals from the following areas:

*The Intermodal Asia exhibition and conference, which has been successfully held annually since 2014, brings together the container and intermodal industry's most influential decision-makers from across the world. With the increasing importance of intermodal transportation in China, Intermodal Asia has become a vital platform that facilitates opportunities for business and growth between Chinese and international companies.*

**Mr Bo Liang Mai,**  
Chairman of the CCIA, CEO & President of CIMC

MEET AN  
INTERNATIONAL MARKET

sessions

## HIGHLIGHTS AT INTERMODAL ASIA 2019 INCLUDE:

### SMART SHIPPING & LOGISTICS FORUM

This 2-day forum will include 35+ high-level speakers, discussing current trends and innovations, as well as how new technologies are encouraging greater transparency, capability and profitability in the global container shipping market.

Running alongside this forum is the **Technology Zone**, showcasing a range of new technologies & solutions.

### LOGISTICS ZONE

As part of this year's increased focus on the logistics sector, this zone will provide a dedicated showcase of logistics services and innovations within the industry today.

In combination with the Logistics Zone, visitors can attend the 1-day, **One Belt One Road Forum** within the ILSS Theatre on day 2.

### CONTAINER PARK

Showcasing the world's largest exhibition Container Park, Intermodal Asia will provide the opportunity to explore the latest container innovations from every angle; ranging from dry box, reefer, special, tank, modular and chassis.

Register today and start planning your visit: [www.intermodal-asia.com/register](http://www.intermodal-asia.com/register)

# INTERMODAL ASIA'S FREE-TO-ATTEND CONFERENCE PROGRAMME

Offering original perspectives on the core industry trends and challenges, the Intermodal Asia 2019 conference will provide a platform to gain market insight, share knowledge, discover the latest innovations and technologies and forge lasting business partnerships.
