Analysis of the situation of China's container industry and the development trend of Intermodal in 2020

Li Muyuan, Editor-in-Chief, *China Container Industry and Intermodal Development Report (2020)*

11:45-12:00

Launch Ceremony of China Container Industry and Multimodal Transport Development Report (2020)

Invite witnesses to come to the stage to witness the launch of the report

AFTERNOON SESSION

International

13:00 - 15:00

Overview of international shipping market

Moderator: Fan Landers, *Commercial Director, Intermodal Events*

Since the second half of 2020, the demand for international container transportation has increased rapidly, and shipping output reached its full capacity. However, problems such as rising freight rates, pressure on container shortages, and port congestion have also continued, and the international trade market has been deeply affected. This forum will focus on the main changing trends of the European container shipping market under the background of the pandemic, and possible future development trends.

Headline speech.

Tong Xiaoling, *Consul General, Consulate-General of the People's Republic of China in Vancouver*

Opportunities and challenges facing the North American market in the post epidemic Era.

Lam Siu Ngai, President of Canton Chamber of Commerce Canada

The Drama of Cargo claims and Post-Pandemic Global Landscape.

Lina Jasutiene, CEO at Recoupex

Federation of European Ports: Temperature Check.

Lamia Kerdjoudj-Belkaid, Secretary General at FEPOT

Port of Gdansk – latest updates, including a look at routes to/from China.

Matteusz Dawidowski, Chief Representative

Port of Antwerp – latest updates, including updates on the latest sustainable tech.

Jan van der Borgh, Port Representative & Economic Diplomatic Advisor

CONFERENCE PROGRAMME

A71 | INTERMODAL ASIA THEATRE

DAY TWO // WEDNESDAY 21ST JULY

MORNING SESSION

10:00-12:00

Intermodal China Day

Moderator: Li Muyuan, *Executive Vice President & Secretary-General, CCIA*

Introduction: As high level event, "Intermodal China Day" is reserved for Intermodal Asia each year, and it has become an important platform for mutual understanding and cooperation between China and the rest of the world in the multimodal transport sector. The new areas, new models, and new trends for multimodal transport under the "one belt and one road" initiative will be discussed.

Headline speech.

Wang Shuiping, Former Deputy Chief of Transport Service Division, Ministry of Transport & Supreme Inspector

"13th Five-Year" Intermodal development achievements and "14th Five-Year" Intermodal industry practice development direction
